

Resources

The Kitchen Companion

Polly Clingerman

The American Cooking Guild

1994

A master guide to the kitchen for beginning cooks, experienced cooks, curious cooks, and hurried cooks. Contains all the kitchen knowledge a cook needs, plus basic recipe patterns for just about everything.

Fresh Guide to Produce

Henry Richter, MD

Try-Foods International Inc

2004

Provides in-depth information on more than 300 produce varieties with full-color photos. Guide for fruits, vegetables, herbs, spices, and specialty or ethnic produce includes: description, nutrition, selection, storage, safe handling, availability, preparation, cooking tips, glossary of terms

The All New Fannie Farmer Boston Cooking School Cookbook

First printed in 1896, and has many editions

This is one of those must have cookbooks because it is loaded with helpful hints and uses simple methods.
