Jack:

We have enjoyed doing business with you nice people over the years, and we will certainly miss our relationship of many years standing. I am asking our salesman, Harry Dan, to stop by and get an inventory of our products which are in your warehouse, and to assist you to the best of our ability in disposing of same.

Jack, I will try to get by to see you within the next week or so; again, thanks for all of your cooperation during these years of doing business together.

Yours very truly,

CUMBERSON COMPANY
