Mr. Jack Traverso  
V. Traverso Co.  
1050 Battery Street  
San Francisco, California

Dear Jack:

We read your letter announcing the decision of the Traversos to retire from the wholesale grocery business after forty-two years with regret.

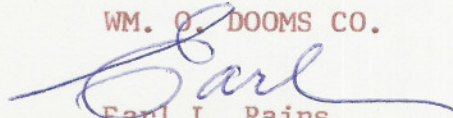

We too wish to say it was a pleasure over the years calling on the V. Traverso Company and the feeling is shared by all members of our firm.

Please accept our thanks and gratitude for past support and our best wishes for the future.

If we can be of any assistance in your closing, please call upon us.

Sincerely,

WM. O. DOOMS CO.
