Gentlemen:

We were sorry indeed to learn from your recent communication of your decision to discontinue your business.

For many years we have enjoyed an exceptionally pleasant business relationship with you and naturally regret the necessity of discontinuing your account.

According to our records, there is a credit balance on your account for \$273.49 and we attach our check #73505 to clear the account.

Again thanks very much for the splendid support you have given the sale of our coffee.

Very truly yours,

HILLS BROS. COFFEE, INC.
