Gentlemen:

We were very sorry to hear that you have decided to retire from the wholesale grocery business.

Please let us know the quantity of our merchandise which you have on hand, and we will advise you as to what assistance we can offer to help you dispose of your remaining stock.

May we take this opportunity to thank you for your interest in our products over the years and to wish you every success in whatever ventures you may undertake in the future.

Sincerely yours,

LEWIS-HOWE COMPANY
