Mr. Jack Traverso  
1050 Battery Street  
San Francisco, California

Dear Jack:

Just to let you know for your files how badly we feel about your cessation of activities and particularly the underlying reasons.

We have very much enjoyed doing business with you which was always on a straight forward basis on both sides and I just wish all of our business contacts had been, or would be, as satisfactory.

My personal thanks for the business which you have given us and our best wishes for your happiness in your travels.

Best personal regards.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom", written over the typed name.

J. Thomas Trixler  
President
