GENTLEMEN:

Be advised that effective this date the price of milk to members of your organization will be-

QUARTS OF MILK----- .10¢

PINTS " " ----- .05¢

CREAM 27% off of list instead of 25%

These prices are based on present conditions in the milk business.

However if this COMPANY should at any future time join what is known as the MILK DEALERS ASSOCIATION, of San Francisco, and a stabilization or increase on present prices go into effect; This COMPANY will protect your members to the extent of one half ($\frac{1}{2}$) cent less per bottle than the market price so established.
